EURAXESS TUNISIA

EURAXESS – Researchers in Motion is a pan-European initiative that has been launched by the European Commission to promote research careers and facilitate the mobility of researchers across Europe. Currently, the initiative is backed by the European Commission and 43 countries including Tunisia. As part of its efforts, EURAXESS has established a network of knowledgeable people who are ready to assist researchers in over 600 centres across Europe and beyond <http://ec.europa.eu/euraxess>. EURAXESS offers several distinct initiatives designed specifically for researchers:

THE INITIATIVE

- EURAXESS Jobs** is a free job portal that provides up-to-date information on job vacancies, funding opportunities and fellowships throughout Europe.
- EURAXESS Services** is a network of well-informed staff who are available to offer personalised assistance to help researchers and their families organise their stay in a foreign country, ensuring a smooth transition and settling process.
- EURAXESS Rights** (European Charter for Researchers & Code of Conduct for the Recruitment of Researchers) outlines the rights and duties of researchers and their employers. This initiative provides a framework for establishing fair, equal and transparent research practices.

EURAXESS Worldwide is a networking tool for researchers working outside Europe, in areas such as: ASEAN (focus on Singapore, Thailand, Indonesia, Malaysia, and Vietnam), Latin America and the Caribbean, China, India, Japan, North America (US and Canada), South Korea, Australia and New Zealand. By providing a platform for researchers in these regions, EURAXESS Worldwide aims to facilitate international research collaborations, knowledge exchange, and the sharing of resources and expertise among researchers worldwide.

EURAXESS TUNISIA

The EURAXESS Tunisia initiative, along with its online portal, provides valuable information and practical assistance for researchers relocating to and from Tunisia.
